

Rep. Turner, Ranking Member on the Select Committee on Homeland Security, and Rep. Waxman release a new analysis that compares the 41 recommendations made by the 9/11 Commission to H.R. 10, the legislation developed by House Republican leadership being considered tomorrow on the House floor. The analysis finds that the Republican bill fully implements only 11 of the Commission's recommendations and contains over 50 extraneous provisions. **Documents and Links**
